READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

An **adorable, full-color manga** about a young man who rescues a cat... and the **friendship that blossoms between them.**

There's more to this kitty than meets the eye! Kyuu-chan loves snacks, cuddles, and bow ties, but most of all loves Hinata, the young professional who adopted this mischievous wonder cat into his home.

As the two adjust to life together, they discover that they have a lot to learn from each other.

The ordinary and the extraordinary live side by side in this delightful slice-of-life manga!
